TOURIST MEETING IS WELL ATTENDED

Well over 40 delegates attending the semi-annual meeting of the Alberta Tourist Association held at the Turtle Mountain Motor Court at Frank, were welcomed by Don Duguid, president of the Crows Nest Pass Chamber of Commerce, at sessions that got underway there at 10 a.m., Thursday, October 3rd.

Highlight of the morning session was a panel discussion on tourist promotion for South-western Alberta and ways and means to take advantage of the tremendous attractions in the Crows Nest Pass area.

Moderator of the affair was Ed Lonsdale of Lethbridge, while the panelists were Mr. King of Medicine Hat, Hugh C. Craig of Waterton Lakes, Doug Johnston, manager of the Calgary Tourist and Convention Bureau, and Kirk Stenier, promotion manager of Lethbridge Chamber of Commerce.

Many constructive criticisms and ideas were brought into the discussion from the floor. Ted Kreutzer of Fort Macleod, president of the Alberta Tourist Association, was present and also expressed words of welcome to the visiting delegates and introduced Ernie Starr, first vice-president of the Alberta Tourist Association, who was representing the City of Calgary at the affair.

During the evening sessions, a "Hospitality Workshop" was held and local representatives learned how to analyze the area for the important tourist attractions that are available here, and then what course of action to take to promote the area as a tourist attraction area.

Prior to the Workshop getting underway, the guests enjoyed entertainment provided by the Crows Nest Pass Choral Society.

During the afternoon a cavalcade of cars took the visitors on a tour of the area, including such points of interest as Tent Mountain Strip, Lundbreck Falls, Crows Nest Lakes, the Frank Slide, Allison Creek dam and other points of interest.

The meeting is being sponsored by the Crows Nest Pass Chamber of Commerce and Jaycees, in co-operation with the Alberta Tourist Association.

The two-day semi-annual meeting wound up at the Turtle Mountain Hotel at Frank, on Friday morning, when important matters pertaining to tourist promotion were discussed.

Included in the morning session were discussions on Tourist Booths, Highways, Camping, Provincial Parks, Museums, the Highway 93 Associations, Fishing and Hunting, and other items that were important to promoting more travel to this area.

Principal speakers during the morning were Harry Dempster, superintendent of Parks from Banff; Leo Bereza, of the North-west Territories; P. P. Syver, director of Provincial Parks for the province of Alberta; and Mr. Cunningham of the Fish and Wildlife Division of the Alberta government.

The two-day meeting adjourned after a banquet dinner was enjoyed.

Services Held For Alex Morency

Funeral services for the late Joseph Alexander Morency of Blairmore, who died in Vancouver, last week, were held from the Blairmore United Church at 2 p.m. on Saturday afternoon, October 5.

The Rev. H. G. deLeeuw of Coleman officiated at the services. Interment followed in the Blairmore Union cemetery and Fanning Hill-side Chapel were in charge of arrangements. Oddfellow services were also held at the graveside. Rebekahs were in attendance.

A resident of the Crows Nest Pass since 1908, Joseph Alexander Morency of Blairmore, died Tuesday in Vancouver. He had been on an extended holiday at the home of his daughter, Mrs. Joseph Jenkins.

Mr. Morency was born in Peterborough, Ont., on August 20th, 1896, and came west to Saskatoon in 1907, and then to Frank, Alberta, in 1908, where he worked for the McLaren Lumber Co., and later he took up tin-smithing.

Following his marriage in 1909 the couple took up residence in Blairmore where Mr. Morency operated his own tin-smithing and plumbing business which is still carried on by a son, Harold. Mr. Morency was among the pioneers who helped to build the community in many ways and deeds and was a link in the chain of the oldtimers, he will be greatly missed by his family and old friends.

Mr. Morency was operator of the dance pavilion at Crows Nest Lake for 15 years. An ardent sportsman, he took an active part in baseball in the "Press" and was a promoter of hockey.

He was a former member of the Elks Club and the now defunct Blairmore IOOF Lodge. At the time of his death he was still a member of Coleman Lodge No. 36 and Calgary Lodge No. 200, IOOF.

He was predeceased by his wife in Blairmore, his parents in Peterborough, Ont., and a sister Mrs. Minnie Anderson in Lethbridge.

Survivors include three sons — Joe of Calgary, John of Grand Prairie and Harold of Blairmore; two daughters Mrs. James (Helen) Simpson of Blairmore and Mrs. Joseph (Mary) Jenkins of Vancouver; 11 grandchildren and five great grandchildren, three sisters Mrs. J. P. McNicol of Vancouver, Mrs. Herb. (Josie) Hill of Peterborough, Ont. and Mrs. Jack (Margaret) Johnson of Largo, Florida, U.S.A., and two brothers Jack and George Morency of Peterborough, Ont.

NURSING AIDES URGE GROUP MEMBERSHIP

(The Red Deer Advocate)

Delegates attending the 6th annual convention of the Alberta Certified Nursing Aide Association, held in Red Deer at the Capri Motor Hotel, gave their unanimous support to a resolution stating that certified nursing aides who are not members of the association not be paid the salary recommended by the advisory council.

The resolution, which will be presented to the advisory council, also stated that the current membership cards be requested upon application for employment in all Alberta hospitals, institutions and any other place where a certified nursing aide is employed to carry out duties as such.

Speaking in support of the resolution, Miss Phyllis Sullivan of Lethbridge, said that only five per cent of eligible members belong to the ACNA and that certified nursing aides who are not members of a nursing aide association are members of a union, pay far more for union membership.

The convention gave its support to a resolution requesting a further training program in the province for nursing aides with a standardization of training as nursing aides are now being required to carry out duties for which they are not trained and for which they have not been licensed. The resolution stated that nursing aides are leaving the province to take the training.

Coleman Gas Rates To Be Reduced

Following one year's operation, the Town of Coleman Natural Gas System are announcing that effective as of January 1, 1964, the company will be reducing their regular rates.

The new schedule will see the regular rates dropping from the present 66c per MCF to 60c per thousand cubic feet. Optional rates will also be lowered from the present rate of 54c per MCF to 50c per MCF. There is to be no change on the minimum.

The system has been in operation for 12 months now, and there are approximately 440 consumers which figure includes both residential and business.

Appointed Asst. Supervisor

Mrs. Lorna P. George, daughter of Mr. and Mrs. G. R. Dancosine of Coleman, Alberta, Canada, has been appointed assistant supervisor of hostess training for Continental Airlines in Los Angeles.

Mrs. George attended Coleman High School and Henderson College in Calgary. She worked for Pan American Petroleum Corporation as assistant to the traffic supervisor and as a hostess for American Airlines before joining Continental.

She likes to swim, fence, ride and paint with oils.

Delegates agreed to add the following objective to their constitution: that the association be a channel to provide a measure of protection for its members with respect to wages and grievances.

Unanimous support was given to a resolution that bona fide members of religious orders be eligible to be associate members in the ACNA as long as they hold an active licence from a province in Canada. Members of religious orders are unable to attain Alberta licenses due to uniform regulations.

Other resolution adopted were a recommendation to the advisory council that the Nursing Aide Act be reviewed and that amendments be made where necessary, the constitution of the association be printed and appear in the Alberta Certified Nursing Aide By-laws, and that it also be included in the "Guide Book"; and that chapters set aside 35 per cent of money realized from fund raising events to be directed to the provincial executive treasury.

Recommendations adopted by the delegates included a request to the advisory board that it meet more often: the board met once during the past two years and that the advisory board discuss the problem of personal belongings of nursing aides being taken from locker rooms with no action being taken by hospital administration.

Mrs. J. Atkinson and Mrs. J. MacQuarrie were the delegates from Coleman attending the convention.

Tax Concession Area

The Blairmore area for tax concessions on new industry includes the entire area serviced by the Blairmore National Employment Service office, says a report from Dr. Lawrence E. Kindt, M.P., the Federal Constituency of Macleod.

The report continues: My original request was that the area should include the entire Crows Nest Pass, which it actually does. However, press reports have left the impression that only the town of Blairmore was included, but this is not true. Blairmore means the area serviced by the National Employment Office at Blairmore.

Therefore, a new industry located in any of the following towns or centres would qualify for tax concessions:— Sentinel, Coleman, Blairmore, Frank, Hillcrest, Bellevue, Burmis, Lundbreck, Cowley, Pincher City, Maycroft, Todd Creek etc.

The Blairmore area also includes the British Columbia towns west to Fernie. A map showing the boundaries may be seen at the Blairmore National Employment Service Office.

The weekly payroll for 11,600 hourly rate people at General Motors of Canada in Oshawa is more than \$1,250,000.

A lively election is expected in Coleman on October 16th, as four Coleman men have entered their names in the Mayoralty race.

Running in the election are the following candidates: John Ostash, a resident of Coleman for past few years. Mr. Ostash is a married man and operates the Hotel Coleman.

Second candidate is John Owen, a resident here for many years. Mr. Owen is a married man and operates a grocery store.

Third entry is Jim Park, who is also a long-time resident of Coleman. Mr. Park, also a married man, is presently employed on the office staff of Coleman Collieries.

Final candidate is Joseph Wavrean, a native son of Coleman. Mr. Wavrean is married and is presently employed at Summit Lime Works.

For the two vacancies on Council, three men have entered their names. They are:

Bert Bond, retired mine-worker, and a long-time resident of here; Bill Filewich, also a long-time resident, and business man in Coleman, and Rudy Szymanski, a Coleman contractor.

For the one vacancy on the school board, two men have entered their names, and they are:

Steve Mraz, a mine worker and Robert Fisher, a lumber operator.

Elected to the hospital board by acclamation was incumbent Stu Murdoch.

Alberta Weekly Editors Note 60th Anniversary

Community newspaper publishers from throughout the province met in Banff's Timberline Hotel in mid-September for the Diamond Jubilee convention of the Alberta Weekly Newspapers Association.

Some 144 delegates, representing the 57 member weeklies, studied latest trends in printing, publishing and advertising.

Among special guest speakers were Premier E. Manning, Jack Flemming of Canadian Natural Gas Co. and Bernard Suchland of Graphic Arts Western Ltd.

Richard B. Hawk of The Nanton News, was elected president, succeeding Ken Partridge of The Camrose Canadian.

Ron Newsum of Bashaw Star, was named first vice-president, and Lou H. Drouin of St. Paul Journal, second vice-president.

John MacDonald of The Westlock News was re-elected secretary and Jack A. Parry of Rimby Record was named treasurer.

Directors will include Hec MacLean of Fairview Post, Ashley Cooper of The Vermilion Standard, Art W. Eastley, Sedgewick Community Press and George Meyer of The Camrose Canadian.

In 1962, 5,000 suggestions won \$153,000 for people at General Motors of Canada. Awards ranged from \$10 to \$5,000.

C.N.P. Music Society Memberships Available

The recently formed Crows Nest Pass Music Society are promoting a strong membership drive this month and are urgent all in the Crows Nest Pass area from Pincher Creek west to Natal in British Columbia, to take out memberships.

The committee have pointed out that a minimum membership is \$2 per person, but no limit has been set as to individual contributions persons may wish to make. Contributors and members will receive nothing except the satisfaction of knowing that their contributions are going towards supporting music in the community.

Memberships may be obtained through many local stores in the Pass who are displaying signs to the effect that they are taking membership dues.

The Society was formed this spring for the sole purpose of raising funds necessary for the operation of the three Pass music groups — the Crows Nest Pass Band, the Crows Nest Pass Symphony Orchestra and the Crows Nest Pass Choral Society, and any other music organizations that may be formed later.

It has been pointed out by the committee that we in the Pass are very fortunate to have dedicated people willing to devote their time for the promotion of music in our midst, and we can feel justly proud of the music opportunities that are afforded to our young people which in turn has brought considerable recognition to the Pass from the many artists that have gained a great reputation in music circles.

Considerable money is needed at present to purchase music and other supplies for the music groups and all in the district are urged to support this worthy cause.

Seat belts should always be fastened whether driving on the highway or in town. A seat belt can do no good when it lies unfastened on the seat.

Coleman Man Befriends Bird

Tony Lycka, a Coleman pensioner, has made a pet of a mosquito hawk, he found near Summit Lake north-west of Coleman about a month ago.

Mr. Lycka, out for a hike, found a baby bird at the bottom of a rock cliff, and feeling that the young bird would die if left alone — put the small hawk in his pocket. Since bringing the hawk to his home in West Coleman, Mr. Lycka has hand-fed the small bird on meat.

Apparently thriving well on the meat diet, the bird, which was almost featherless when found, has now grown a good set of fine feathers. Mr. Lycka says the bird sleeps on his window sill all day, and in the evening it flutters and flies around his home.

He plans to keep the bird through the winter, and in the spring if the bird wants to fly away, he will give it its freedom.

A. Krywolt Visits Europe

Al Krywolt, of Vets' Travel Service, returned to home last week after having enjoyed a two-week holiday visiting in Europe.

Mr. Krywolt was one of 18 Canadian Travel Service agents who made the trip. Purpose of the trip was to give the agents a chance to visit foreign countries and thus promote more group travel between countries.

Mr. Krywolt drove to Calgary from where he boarded a TCA jet liner to Montreal and then flew via KLM Dutch Lines to Holland.

The tour included visits to Prague, Czechoslovakia, Budapest, Hungary, the Black Sea, overlooking Istanbul, the Soviet Union and Rumania.

Ten special training centres are operated across the nation by General Motors of Canada. The centres with their factory-trained instructors provide training in the latest automotive developments for service personnel of all General Motors dealerships.

To the Ratepayers and Citizens of Coleman

On October 16th, you are going to the Polls to Elect a Mayor, I have been asked by a cross section of towns people to let my name go forward as a candidate for this office.

I have been in Coleman for 34 years and I have a good grasp of what you people expect to get from a good council.

I am very much aware of the responsibilities that the office of Mayor requires, especially in Coleman where we own our Utilities, I also believe that Coleman has a bright future ahead, but to get the best we can for our town it will take more than words to keep our high standard of progress alive, it will take action at the local level of Government, to keep Coleman on the top where we rightfully belong.

Ladies and Gentlemen I am willing and I believe I can give you this Good Government, so on October 16th when you go to the polls, remember a vote for J. Parks as your next Mayor is a vote for progress.

Hazuka - Topak Wedding Vows Are Exchanged

Baskets of fresh garden flowers formed the floral decorations in Holy Ghost Catholic Church for the wedding ceremony on August 31st, which united in marriage Marlene Ann Topak and Thomas Michael Hazuka.

Rev. Denis Fleming performed the double-ring ceremony for the daughter of Mr. and Mrs. Peter Topak of Coleman, and the son of Mr. and Mrs. Martin Hazuka also of Coleman. Mrs. Helen Kropinak, cousin of the groom, sang during the mass and the signing of the register.

Escorted down the aisle by her father, the bride wore a floor-length gown of white organza with lily-point sleeves. The scooped neckline and straight front panel were trimmed with lace appliques and seed pearls. The back of the dress featured two flowing panels which were trimmed with lace appliques.

Her shoulder-length veil cascaded from a head-piece of white organza petals trimmed with pearls. A white gold cross, gift of the groom, was the bride's only jewelry. She carried a fan-shaped bouquet of red roses and white carnations.

Mrs. Virginia Larin, matron of honor, and the Misses Doreen and Janice Wavrecan, bridesmaids, chose identical gowns of white peau de soie, featuring peacock blue cummerbunds with matching shoes and head bands. They carried peacock blue replicas of little parasols from which cascaded white carnations.

Marlene Thiessen, niece of the groom, as flower girl, wore a short full dress of peacock blue peau de soie with a white cummerbund and matching shoes and head band, and carried a white replica of a little parasol with white carnations. Kevin Kuchty was ring-bearer, carrying a white satin pillow trimmed with white lace and baby rosebuds.

Attending the groom was Bruno Kuchty of Calgary. Ushering guests were Terry Topak, brother of the bride, and Emil Michalsky, cousin of the groom.

For her daughter's wedding the mother of the bride chose a two-piece peacock blue dress with white accessories and a corsage of yellow carnations.

The groom's mother wore a two-piece turquoise dress with beige accessories and a corsage of white and gold carnations.

At the reception held in the Elks hall, John Stevulak, cousin of the groom, acted as master of ceremonies. Grace was offered by Father Fleming. Toast to the bride was proposed by Steve Wavrecan, and very ably responded to by the groom. Toasts were proposed to the Ladies of the Royal Purple, the parents and the bridesmaids by the master of ceremonies.

The hall was decorated with pink and white streamers and the bride's table was centred with a three-tiered wedding cake, designed and decorated by Miss Adele Panek. To complete the decor of the head table, two silver candelabra were placed at each end.

The guest book was attended by Miss Barbara Laidlaw, cousin of the bride.

For a honeymoon trip to the West Coast, the bride chose a yellow three-piece wool knit suit. Yellow carnations and beige accessories completed her ensemble.

Upon their return the young couple will reside in Banff, Alberta.

Bond - Squarek Vows Exchanged

St. Paul's United Church, Coleman, Alberta, was the setting for a candlelight service when marriage vows were exchanged between Cynthia Rose Bond of Coleman, and John Edward Squarek of Bellevue. The ceremony was solemnized by the Rev. Rod MacAulay of Winnipeg, Manitoba.

Entering the church on the arm of her father, the bride looked exquisite in a floor-length gown of white satin embroidered with seed pearls. Her waist-length bouffant veil misted from a crown of pearls and crystal drops and she carried a bouquet of orchids and stephanotis.

Attending the bride as maid of honor was her sister, Beverly Bond, with Miss Geraldine Panek as bridesmaid.

The attendants wore identical floor-length yellow satin gowns, with matching veiled crowns and each carried a spray of white daisies trimmed with yellow ribbons.

Douglas Squarek, brother of the groom, acted as best man with Robert Gray of Kingston, Ontario, as groomsman. Ushering guests were Keith MacDonald of Calgary and Larry Quintillo of Bellevue, a cousin of the groom.

Mrs. Gwen Cousins of Calgary, sang "The Wedding Prayer" during the signing of the register and was accompanied by Ken Murdoch at the organ.

The reception was held at 7:00 p.m. in the Elks hall, Coleman. The bridal party greeted guests with Mrs. W. Kinnear and her daughter Randy attending to the guest book.

The hall was decorated with flowered hearts and pink and white bells. The head table was centred with a three-tiered wedding cake, ornamented with white roses and topped with three orchids in bells. Lighted tapers and flowers completed the table decorations.

Toast to the bride was proposed by Rev. MacAulay, after which the groom ably responded.

The maid of honor read several telegrams congratulating the couple. Following the supper a wedding dance was held with music supplied by William Goodwin and his orchestra.

Out of town guests were from Kingston, Ont.; Winnipeg, Man.; Vancouver, B. C.; Cranbrook, B. C.; Pincher Creek, Lethbridge, Calgary and Edmonton, Alberta.

For the honeymoon trip to Waterton Lakes and the United States, the bride chose a blue ensemble with three-quarter coat and white accessories.

The couple are now residing in Norman, Oklahoma, where the groom is attending university.

SEPARATION IN MARRIAGE

There is nothing quite so good for a marriage as brief separations.

This is something a clergyman friend told me the other day. He said he had patched up many a shaky marriage by arranging to have the husband transferred out of town for a fortnight or so. He had figured out the reasons why it works, too.

"The husband soon begins to be lonesome," he said. "The orderliness of his hotel room is attractive for a day or two, and

he enjoys ordering up his favorite food. But in a couple of days, he is watching for mail from home, hungry for news of the family."

The clergyman said that seeing bereaved husbands suffer had given him the idea. They would give the world to have their wives back again—and soon they experience a nostalgic longing for all the little family jokes and habits and routine. A separation, he said, accomplishes somewhat the same thing—but with a joyful reunion at the end.

So there you are, fellows: If you want to really appreciate your marriage, take a brief leave, or let your wife go home to mother for a week or two. The betting is you'll be glad to get back together again as quickly as possible

Candidate For MAYOR

JOHN (Jack) OSTASH

Pictured here is John (Jack) Ostash, who is running in the elections for Coleman Mayor.

Mr. Ostash, 42 years of age, was born in Oakburn, Man., where he attended school. "Jack" as he is better known to his many friends, has had considerable experience at various occupations. A millwright by trade, he worked for nine years for Flavell Ceder of Port Moody, B. C., has been a cat skinner and has also worked in the Macleod Cockshutt Gold Mines in Geraldton, Ontario.

He went into the hotel business in Roseland, B. C., in 1958, where, in a partnership, he successfully managed an hotel before coming to Coleman in April of 1960, to take over ownership and management of the Hotel Coleman.

While here he has been president of the Coleman Board of Trade for two years, and is a member of the Coleman Elks Lodge. His wife, Marie, and two sons, Eddy 17, and Allan 16, and a daughter Mary Jane 10, all live in Coleman.

One of Mr. Ostash's pet ideas is to unite into one unit Coleman Proper, East Coleman, Grafton Town, Willow Drive and Carbondale, as he feels that with half of the population living in the I. D. 10, that Coleman is losing a good share of tax money that could be used for many community projects.

Mr. Ostash also plans to promote, if he is elected, to look into a bigger and better recreation plan for the young people of Coleman. Bringing new industry into Coleman is also one of the top items on Mr. Ostash's campaign platform, along with a complete revision of Coleman utilities.

Electors for Mr. Ostash:

Jack Jenkins,
Glen Poulton,
Norman Ash,
Harald Nelson,
Bruno Michalski.

New Canada Savings Bonds

OTTAWA, Sept. 28 — The Hon. Walter L. Gordon, Minister of Finance, announced today the terms of the new Canada Savings Bonds dated November 1st, 1963. The new bonds provide an average yield of 5.03 per cent per year if held to maturity in 12 years. Interest is payable annually and begins at 4½ per cent for each of the first two years, steps up to 5 per cent for each of the next six years and then rises to 5½ per cent for each of the final four years.

The Minister made the announcement of terms at a one-day meeting of the national Payroll Savings Organization held in Ottawa in preparation for the forthcoming campaign.

Mr. Gordon told the meeting

that any Canadian resident adult or child may buy the new bonds and that they will be available as in the past to estates of deceased persons. Limit per buyer will be \$10,000 of this issue.

Bonds will be available in denominations ranging from \$50.00 through to \$5,000 in coupon form with denominations of \$500 and up also available in fully registered form. As in former years, Canada Savings Bonds will be cashable at any time at any bank in Canada for their full face value plus earned interest.

In announcing the new series, Mr. Gordon said he was confident it would prove very attractive to both cash and Payroll Savings Plan buyers and he expressed the hope that last year's record sale of \$232,000,000 to 675,000 employees would be exceeded.

Mr. Gordon said that the \$4.4 billion Canada Savings Bonds now in the hands of the public represented 22 per cent of the government's present total of direct and guaranteed debt and indicated the importance of this popular security in government financing and in enlarging the capital market.

Carelessness Can Cost a Life

Leaving matches where youngsters can reach them—Leaving fires unattended—Storing inflammables in improper containers—Faulty wiring in your house or car—Leaving oily rags in the basement or garage—These and many others can cause serious property damage and even loss of life. Check your home, garage, office or warehouse NOW.

(By A. E. Bridges, Alberta Fire Commissioner)

We are out on the attack to crush the enemy—unfriendly fire. We know fire hazards will not go away simply if we ignore them so we must seek them out, expose them and do everything possible to destroy them. Our office on the average records reports of 16 fires a day. In some fires the damage is only a few dollars but even the smallest fire is a potential fire disaster.

We tend to become complacent about fires when they do not involve us personally, but can we say where fire will strike next?—Here are a few examples where fire went on the attack and took the family by complete surprise.

The first case deals with a narrow escape by a woman who was alone in her house and who was awakened shortly after midnight by heat and smoke in her bedroom. She ran out after hastily pulling on a pair of slacks. The house and contents were quickly all aflame and nothing was saved since there was no fire department in the hamlet to respond.

Neighbors were summoned but they could do nothing.

Apparently the fire originated in the basement. It is believed that the furnace became over-heated, and that the rapid spread of fire was occasioned by leakage from the oil fuel supply. Oil furnaces

must be installed according to provincial regulations and serviced regularly to assure there are no fuel leaks and that heat limit controls are working properly.

At a farm location recently kerosene poured in a wood burning stove to freshen the fire exploded, seriously burning the farmer and resulting in a fire that destroyed his home. Fire spread so rapidly that other occupants of the house had to climb out the second storey windows to escape. Lack of water hindered the rural fire fighters from saving the house.

In another district a rural dwelling and post office were extensively damaged by fire started by an intoxicated man smoking in bed. He was alone in the house and was aroused by burns from a fire he had caused to the degree that after he escaped from the bedroom he collapsed in the living room near the door. He was rescued from the building by his son-in-law but he had died from shock and suffocation before he was removed from the house.

These are facts from our records and certainly true stories such as these attest to fires' potential to kill and destroy in the home.

There is good cause for all of us to go on the offence against possible causes of fire in our homes.

We need to improve our fire loss record beginning this Fire Prevention Week.

Family needs separate vacations

Millions of North American families start out on vacations together after seeing more than enough of each other during the year.

This togetherness can ruin their vacation says a writer in a recent issue of a national magazine.

The writer quotes Dr. R. S. Hosking, Toronto's first domestic court judge, as saying "Taking vacations apart can help bring families together."

Couples are reluctant to make plans for separate vacations for financial and family reasons says the writer. "The average family holiday follows one of two well established patterns: Mother and kids are packed off to a summer cottage, with father driving up

over week-ends; or both parents and kids pile into the car and go on a tour."

Dr. Hosking said that although the 'one-sex' world, in which man was the boss, has all but vanished, the vast majority of wives fail to take advantage of their new freedom.

Summer camps have come within reach of the average family, states the writer. "It helps to pack the kids off for a few weeks. This temporary separation enables the parents to have a break from the constant pressure of youngsters zooming around the house."

"The female of our species remains for the most part, a homebody, even though, as Dr. Hosking claims, a woman with experiences of her own, makes a far better wife and mother," the writer said.

VOTE FOR

ROBERT GORDON FISHER X

On October 16th you are going to the Polls to elect members to your School Board. I have been asked by many townspeople from all parts of Coleman to be a candidate for a position on this board.

I have been in Coleman for the past 6 years, taking up permanent residence here with my family in 1962. I feel I have considerable knowledge of what you people expect in a good School Board.

With a daughter in Junior High School and a son in Senior High, I am well aware of the responsibility of a good, sound School Board to see that our children have the best education possible. The building of the "Horace Allen School" has been a large step in bettering the education facilities here. It is necessary to carry on with any progress that helps to outfit our children for the future. A strong progressive School Board is necessary to bring this about and I am sure I can help if elected to this body.

Mothers and Fathers, I am willing to devote the time and effort necessary to do my duty to you and your children in seeing that they acquire an education of the highest calibre for this area.

So on October 16th when you go to the polls to vote remember a vote for R. G. Fisher is a vote for a sound and solid School Board.

Hard of Hearing Problem

It is most unfortunate that many of our people overlook the fact that the ability to hear declines in some people at a rate equal to the failure of sight.

We are most patient with a person changing from long-to short-sight glasses, but impatient with the poor devil requesting that we say it again. Failure in hearing falls off in drastic percentages.

Being kind to the hard of hearing is just normal courtesy. We can oblige by speaking a trifle louder and more clearly. When your hearing, either by age or by affliction,

starts to fail, you will notice that even trained speakers at times slur speech beyond recognition.

Fact of the matter is that Canada needs a "Be Kind to the Hard of Hearing Week", a heck of a lot more than they need many of the other seven day celebrations.

Miscellaneous Shower

A miscellaneous shower was held in the Catholic hall on August 26th in honor of Mrs. Vernon Vare (nee Diana George).

The honored guest was presented with a corsage by Miss Lillian Babiak, and her mother, Mrs. George, received a corsage from Mrs. Misura. Mrs. Vare, mother of the groom, received a corsage

from Mrs. Merle Gleave.

Mrs. S. Penney played the Wedding March as the honored guests were escorted to the head table.

The hall was daintily decorated with umbrellas and the tables were centred with autumn flowers.

Whist and bingo were the entertainment of the evening with whist honors going to, first, Mrs. Vera Peregotto, second to Mrs. M. Heusdens, and the consolation to Mrs. M. Hill.

The bingo prizes were numerous and won by many.

A delicious lunch was served by the hostesses and enjoyed by all, after which the tables were cleared and Miss Lillian Babiak presented the honored guest with the gifts from the friends assembled, among them being a hostess chair, vacuum cleaner, ironing board and many other lovely gifts.

The hostesses' gift was an electric floor polisher. Mrs. Vare graciously thanked the hostesses for the successful shower and also those who sent gifts but were unable to attend.

She extended a welcome to all her friends to drop in and see her in her new home in Lethbridge.

Miscellaneous Shower

A miscellaneous shower was held in the Elks hall on September 19, in honor of Miss Marlene Topak, with 100 guests in attendance.

The hall was pleasingly decorated with inverted umbrellas and various bouquets of autumn flowers.

The chair for the honored guest was canopied with a flower-decked umbrella in pastel colors.

Miss Roseann Panek presided at the piano and played the "Wedding March" as the guest of honor was escorted to the head table and presented with a corsage by Mrs. B. Malauchuk of Pincher Creek, and Mrs. Topak, mother of the bride, was presented with a

corsage by Miss Lena Panek.

Mrs. Hazuka, mother of the groom, was escorted and presented with a corsage by Mrs. J. Knowles.

The grandmothers were in attendance, Mrs. Kahout, grandmother of the bride, was presented with a corsage by Mrs. Mildred Vrskovy. Mrs. Hazuka, grandmother of the groom, was presented with a corsage by Mrs. Pauline Vincent of Pincher Creek.

Confetti was then showered upon the honored guest.

Whist and bingo was the entertainment of the evening. Whist honors went to: first, Mesdames Dorasak, second, Isobel Petsuk, and consolation to Joy Tarcon.

Door prize winner was Mrs. Annie Urkewich.

A delicious lunch was served by the hostesses, after which the presentation of gifts was made, consisting of the major gifts, a set of stainless steel pots and pans, vacuum cleaner, floor polisher, a chrome cake container, and many other beautiful and useful gifts.

The hostesses' gift was a chrome bread box and a canister set.

Card of Thanks

My sincere thanks to the ladies who attended the shower held in my honor and to those who donated but could not attend.

My special thanks to the hostesses who made this shower such a memorable occasion, which I will always cherish.

Mrs. Marlen Hazuka, (nee Marlene Topak).

Card of Thanks

I would like to express my thanks to the C.W.L. members who attended the going-away tea given in my honor, also those who donated to the lovely gift.

My special thanks to the hostesses, Mrs. Juliette Thibert and Mrs. Clara Marconi for making it possible.

Mrs. Therese Tetrault.

JUNIOR CITIZEN AWARD WINNER

MARLENE HERNBERG

BRETON, ALBERTA

Imagine the terror of a twelve year old girl, awakened in the early morning by her mother's muffled cry for help. Imagine the presence of mind it took to see what she could do for her mother - to call the doctor, and make breakfast for the family - and to nurse her mother through the long weeks after she suffered a heart attack.

This is what Marlene Hernberg did!

Now, imagine yourself only twelve - with complete charge of a household - you're cooking, cleaning, washing and ironing. You're looking after your father, brother and blind grandmother - and nursing your mother back to health.

It was three months until Marlene's mother was able to resume any of her household responsibilities. During this time Marlene proved to be a most efficient nurse, housekeeper and cook.

With all this overpowering re-

sponsibility you'd think something would be neglected. But Marlene missed only one day of school (the day her mother suffered the heart attack) and maintained her grades just as though nothing were wrong at home.

We join with the editors of Alberta's weekly newspapers in congratulating Marlene Hernberg and her parents on her outstanding performance under adverse conditions. Truly a "Junior Citizen of the Year".

This is one of six announcements about the 1962-63 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledge the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to the Editor of the Thorsby Western Messenger who nominated Marlene for the award.
